

DOOR TO DOOR CAR IMPORT SERVICE

Fast, easy, reliable, secure, affordable and friendly!

Have you tried to import your car to Costa Rica? Aside from ridiculous high prices, lack of communication (sense of urgency?), and terrible customer service, you have to deal with tons of people and companies; and this is before you even deal with Customs. There's an easy solution:

Our Door to Door Service, which includes:

- US Customs paperwork at Miami Port
- Freight Miami-Limon-San Jose
- CR Customs paperwork, procedures, and fees
- Tax payment service (**DOES NOT** include the taxes, taxes are to be paid by client)
- Vehicle transportation from Customs to Riteve
- Riteve inspection (RTV)
- Vehicle delivery to any address in the Gran Area Metropolitana or storage up to one week in Taller Pardo

Rates: Compact cars and small sedans are \$1,195.00 USD per car. Pick Up trucks, SUV, luxury cars & Mini Vans are \$1,295.00 USD per vehicle. We also offer vehicle pick up and transportation from anywhere in the US to Miami Port (by truck, avoid extra mileage and risks!). Please ask for a quote.

Time frame: 2 to 3 weeks from time the vehicle and original title are received in Miami. It is important to emphasize that taxes are determined by Costa Rica's Customs and that the client is fully responsible for their prompt payment, otherwise penalties and other fees may apply. We, as the agents, will communicate the said tax amount to the client and will pay to customs in their behalf or, he/she can be present at the time of the transaction. All documents will be presented to owner/recipient upon delivery of the vehicle.

Payment: Payments must be in cash (USD or equivalent in Colones) or certified check/cashier's check. A bank account will be facilitated for deposit in the USA or Costa Rica. We require a 50% down payment when signing the contract, the 50% balance to be paid upon delivery of the car in the set address in Costa Rica, or 48 hours after completing the Riteve inspection, whichever come first.

Contact: You will have quick access to your contact, at any time by phone or email. No hassle, no unreturned calls or emails. We are the ones doing all the calling, follow up, certifications, permits, payments, confirmations, and paperwork for you. You can start by emailing info@tallerpardo.com or by calling Luis at (508) 740-5594 (US) or Juan at (506) 8382-1414 (Costa Rica).
